
A
Spearman rho = 0.75
p < 0.001
n = 20,246,679
Hypervariability score mesoderm
Hypervariability score endoderm
B
Spearman rho = 0.73
p < 0.001
n = 20,246,679
Hypervariability score ectoderm
Hypervariability score endoderm
C
Spearman rho = 0.65
p < 0.001
n = 20,246,679
Hypervariability score ectoderm
Hypervariability score mesoderm
